

**USOSweb – Registration for remedial
courses
Manual for students**

update: 19.10.2021

Log in to your USOSweb account (web.usos.agh.edu.pl). View **Student's section** bookmark and click the **Registrations** icon.

Choose **Registration for courses** in the pop-up window.

Find the registration for remedial courses for your faculty. You can see the registration rounds along with the dates when the rounds will be held. **Go to registration** to see available courses.

Select the course you want to sign up for and click the cart icon. You can register for **one course** only.

(If the course title is "PW Mathematics, Physics", it means that the course covers topics from both fields.)

You can only register for one course. If you want to change your choice, you need to unregister from the course you chose first by clicking on the basket icon again. Then, you can register for a different course.

SECOND ROUND

In the **SECOND ROUND**, students enroll **directly in groups** in the courses they chose in the first round. If you did not participate in the first round, you will not be allowed to register for groups.

Dates of classes and rooms are given for individual groups – **click the list icon**  to view without registering.

In this round can take part only students who have gained pass right for a course. Students can enrol/withdraw from groups, create exchange notices (if exchange is enabled). Nevertheless they cannot unregister from that course. Even if you will not choose any group you still **have to pass that course**

Pay attention to the **group description** and **dedications** - you can register for those groups that are intended for your field of study (in the column "dedication" there is your field of study or the field is empty).

If the dates of the classes suit you, **return to the list of courses and click on the basket icon**. If there is only one group in the course, you will be automatically registered there. If there are more groups, you will have to choose from the groups dedicated to your field of study. You make your choice by **marking the group** (blue dot) **and clicking the Register button**.
